MEMORANDUM FOR: Director of Security

SUBJECT : Office of Security Survey -
[REDACTED] Programs

25X1A

REFERENCE : Memo dtd 20 June 1973 from IG to
DD/M&S, same subject

25X1A 1. The Task Force discussed Projects [REDACTED] and [REDACTED] with reference to their long-range benefits to the Office of Security and determined that both programs should be retained. It was the consensus of the group that Project [REDACTED] be assigned to the Physical Security Division and [REDACTED] to the Security Support Division.

25X1A 2. It is anticipated that [REDACTED] will be the responsibility of the [REDACTED] the present case officer who is surplus to SRS, will be assigned to that Branch. He will continue to have the [REDACTED] responsibility and will be assisted by another part-time case officer. It is believed that this Project is very productive and should be expanded to include personnel engaged in char service at the Ames, Key, Magazine and [REDACTED] Buildings. These buildings are serviced by independent char services with no Government connection, however, they have a high potential for recruitment by opposition services and could do significant damage to the Agency. It is not believed that this additional emphasis would increase the cost of this Project significantly.
